Gearbox Skid Plate Ref.: 48002209

Sump Guard Skid Plate Ref.: 48002207

Transferbox Skid Plate Ref.: 48002211

1 INTRODUCTION

The Company

Founded in 1995, AFN - 4x4 Accessories dedicates itself to the production and commerce of all-terrain accessories. Its constant concern in its customers total satisfaction, and in the ideals of innovation and transformation have granted a position of notability both in the national and international panorama.

The only company in Portugal in the mass production of 4x4 accessories, relies on specialized and experienced technicians, with the most adequate knowledge, to an efficient response capability to its customers demands.

Thanks to the specialization in the several areas of design and manufacture and to a constant investment in technology, AFN has been broadening its wide range of products, without ever neglecting the quality factor.

4x4 Accessories

In its diversity of products we can include, with all-terrain quality, protection, safety and aesthetic accessories.

And it is here that AFN invest on the best technology, the best cut precision of the raw material, and the transformation of products with the quality recognized in the marketplace.

AFN has, at its disposal, resources to test and analyse the resistance of its products and stands in the front row regarding the European homologation of materials dedicated to all terrain.

The contact with the most important test laboratories for vehicles, both in England, Spain and Germany, provides AFN with the know-how to manufacture a wide range of quality products.

Our Design Approach

AFN designs each accessory taking into consideration the original model lines and fitting points. We refuse to have a "one design fits all" solution and we are always looking forward to embrace new challenges on how to adjust a new product into a new model!

The days of just throwing on a bit of steel together to form a protection system are gone. AFN is leading the way modern vehicle protection components are manufactured. Other will follow, and it won't be long where the AFN approach to Styling, Fit, Form and Function will become the benchmark for all other manufacturers.

2 FITTING INSTRUCTIONS

WARNING:

Before you begin installation, read all instructions thoroughly.
Proper tools will improve the quality of installation and reduce the time required.

- This product should be installed as demonstrated in the *Product «Fitting Instructions»*;
- The specified parts, will only fit the models specified by **AFN**;
- Do not modify any component of the product;
- It is recommended that this product is installed by specialized and trained personnel;
- AFN doesn't take responsibility for changes made in the vehicle by its manufacturer;
- Work safely and use specialized tools at all times;
- **Always use protective gear.**

Size	Torque Nm	Torque lbft
M6	9 Nm	7 lbft
M8	22 Nm	16 lbft
M10	44 Nm	32 lbft
M12	77 Nm	57 lbft

Mouting Time

- 2 hours (All underbody protections)
- 1 person (recommended)

Tools Required

- Wrench
- Ratchet wrench
- Needle plier
- Lift

Step 1 (Optional)

This step only applies if the vehicle is equipped with an **AFN Bullbar** or **AFN Bumper**. If Not, proceed to Step 2.

Lift the vehicle.
(we do recommend to use a lift)

Remove the front protection of the **AFN Bullbar** or **AFN Bumper**, as shown in the image.

Be aware that you must save the bolts and nuts, you'll use them on **step 8**.

Step 2

Start by fitting the **Transferbox Skid Plate - 48002211**.

Take on part number **46005986** and fit it to the chassis.

Parts needed:

1 - 47001626; M8

2 - 45000014; 45000010; M8x25

Repeat this step on the other side.

Step 3

On the front side of part number **46005986**.

Parts needed:

1 - 47001623; M10

2 - 45000148; 45000010; M10x50

Give the final torque.

Be in mind that if you have more underbody protections to be fitted, please proceed to the next step.

Step 4

Fit the **Gearbox Skid Plate - 48002209** in the chassis.

This one must be fitted **above** the **Transferbox Skid Plate - 48002211**.

Parts needed:

1 - 47001623; M10

2 - 45000148; 45000010; M10x50

Step 5

On both sides of part number **46005986**. Bolts needed**:
1 - OEM* Bolts;
2 - 45000315; 45000036; **M12x35**
OR
2 - 45000184; 45000010; **M10x35**
Give the final torque.

Be in mind that if you have more underbody protections to be fitted, please proceed to the next step.

Please note that this AFN Skid Plate can only be fitted if the AFN Side Step - ref.: 48002420 is removed. (see image below)

****we supply the bolts and nuts for the 2 versions. Just use one, according to your matching version.**

Step 6

Fit the **Sump Guard Skid Plate - 48002207** in the chassis.

This one must be fitted **above** the **Gearbox Skid Plate - 48002209**. Parts needed:
1 - 45000315; 45000036;
M12x35

OR
1 - 45000184; 45000010;
M10x35

Give the final torque.

Be in mind that if you have more underbody protections to be fitted, please proceed to the next step.

****we supply the bolts and nuts for the 2 versions. Just use one, according to your matching version.**

Step 7

Fit the **Front Skid Plate - 48002205** in the chassis.

This one must be fitted **above** the **Sump Guard Skid Plate - 48002207**.

Parts needed:
1 - 45000184; 45000010; **M10x35**
2 - 45000184; 45000010; **M10x35**

Give the final torque.

Step 8 (Optional)

This step only applies if the vehicle is equipped with an AFN Bullbar or AFN Bumper. If Not, proceed to Step 9.

Re-use the bolts and nuts from these parts again, as showed.

Give the final torque.

Step 9

Your new **AFN UNDERBODY PROTECTIONS** are now installed on your **Isuzu D-MAX!**

Have Fun!

Reminder !

Before operating a vehicle fitted with an AFN Underbody Protections:
- Make sure all fittings are tightened

Maintenance | Care

Periodically check and tighten all nuts. Stripped, fractured or bent bolts or nuts need to be replaced.

3 D-MAX CATALOGUE

AFN 4x4 Accessories is becoming a well known brand for its products due to its quality, design and safety which are challenged for thousands of people everyday, worldwide.

4 WARRANTY TERMS

AFN4x4 products are warranted free from defects in materials and workmanship for a period of two (2) years from the date of initial retail purchase. Third-party components are delivered under the original manufacturer warranty.

Under the present warranty, **AFN4x4** obligation shall be limited to repairing, replacing or crediting, at its option, any part found to be defective.

AFN4x4 does not warrant or make any representations concerning its goods when:

- a) The products are purchased used, scratch and dent or when the box was opened.
- b) The products are not installed, used, and maintained strictly in accordance with **AFN4x4**'s instructions.
- c) The products are installed in vehicles that are used in competition.
- d) The products are installed in vehicles fitted with aftermarket non-standard tires with diameters in excess of OEM* specifications.
- e) The products are installed in vehicles with engines that have been modified to increase performance.

AFN4x4 will not be responsible for goods damaged in transit. If any goods arrive damaged, please contact the **AFN4x4** as soon as possible. **AFN4x4** will assess and may arrange to have the damaged goods returned to a **AFN4x4** Distributor and arrange for a replacement of the goods. Damaged goods must be returned in the condition received by you with all original packaging, accessories and/or manuals. If they are not returned in same condition sent there may be an additional fee charged.

To file a claim under this warranty please contact **AFN4x4** at +351 256 808 300 or via email at geral@afn.pt to request a *Returned Goods Authorization (RGA)* number and instructions for returning the defective component.
